The Course

well-maintained, challenging and fun for all ages

Designed by renowned golf course architect Larry Packard, the 18-hole layout at Bristol Oaks winds through gently rolling terrain lined with mature trees, scenic water features, and wide fairways that invite golfers of all skill levels. Packard's thoughtful design rewards smart play over sheer distance, combining generous landing areas with well-protected greens to create a fun yet strategic experience from the first tee to the final putt.

Players enjoy a versatile mix of holes, from risk-reward par 5s to short but demanding par 3s, making every round exciting and memorable. The greens are true and fast, and conditions continue to improve under the new management. With its natural beauty, classic design, and welcoming atmosphere, Bristol Oaks is a course you'll want to play again and again—whether for a casual round, a league night, or a special event.
